Quietly buried away in the back sections of a few newspapers last week was a dispatch which should have meant more to White men than the biggest headline on the front page.

For last week, in North Carolina, we were successful in getting Whites for the first time to use a technique against race-mixers which we have been pleading for more than four years now.

The Jew and nigger race-mixers were determined to integrate a drive-in restaurant and announced their intention of "sitting-in".

Until last week, the standard reaction from Whites has always been either no reaction at all, or the few who had the courage to do anything resorted to disorderly conduct and violence against the would-be integrators. Police, under the glare of national publicity, could do little else but enforce the law--i.e., arrest the White men who were being disorderly or violent. The Whites then often wound up battling White policemen who hated the Red race-mixers as much as anybody present, but had no choice in their duty to maintain law and order.

This was precisely what happened last week in Birmingham, Alabama.

There can be no question but that at least 75% of Birmingham's Whites wanted no part of the federally-ordered integration. But only a few hundred Birmingham citizens turned out to express the feelings and desires of the vast majority of the public.

These few who did turn out, waving Confederate flags, spent 95% of their time and efforts FIGHTING WHITE SEGREGATIONIST COPS!

Predictably, the niggers are in the schools and, just as predictably, two of the courageous, but mistaken and poorly-led young men who fought the White segregationist policemen, have now been sentenced to relatively long jail terms. And for what?

On the other hand, in North Carolina, the Whites, for the first time to my knowledge, used the only tactic which can, and will, work against the aggressive minority tactics of the enemy: MORE THAN A THOUSAND WHITE PERSONS TURNED OUT AND COMPLETELY SURROUNDED THE DRIVE-IN RESTAURANT.

They formed an impenetrable human blockade. If there had been any fighting, it would have been started by the niggers and Jews trying to push or hit the White men surrounding the restaurant, and the White segregationist cops would have had all the excuse they needed to grab the nigger and Jew leaders--and none too gently at that.

THE JEW AND NIGGER INTEGRATIONISTS REALIZED ALL OF THIS, TURNED TAIL AND WENT HOME!

This is the technique I tried so hard to put into effect on August 28 in Washington. The Whites were too afraid of arrests to turn out in vast numbers, but time and continued nigger pushing will soon fix that.

Yesterday, and the day before, as I write this (14 September 1963), I attended, with 15 or 20 of my officers and men, the hearings before the House Committee on Un-American Activities on the "students" who visited Cuba. With my own eyes I saw hundreds of the veritable scum of the earth--mostly New York Jews, niggers, beatniks and creatures impossible to define--actually committing mass contempt against Congress and the House Committee! What these rats wanted, just like what they wanted during the Birmingham riots this Spring, was national publicity in which they could claim "police brutality" and call the House Committee "Fascists", "Nazis" and "racists".

EXCEPT FOR US, THERE WAS NOT A SIGN OF ANY ORGANIZED OPPOSITION FROM THE RIGHT WING, just like on August 28.

Capitol police and the Committee were quite literally horrified by this arrogant filthy mob from New York. It was heart-breaking and agonizing to watch Chairman Willis and the police trying their best to display super-human patience and kindness to the criminally arrogant Red mob which filled the hearing room. Dozens of the hell-raising Jews, who were ordered evicted, PHYSICALLY FOUGHT THE POLICE SO THAT IT OFTEN TOOK FIVE OR SIX OF THEM TO SUBDUE ONE MAN,

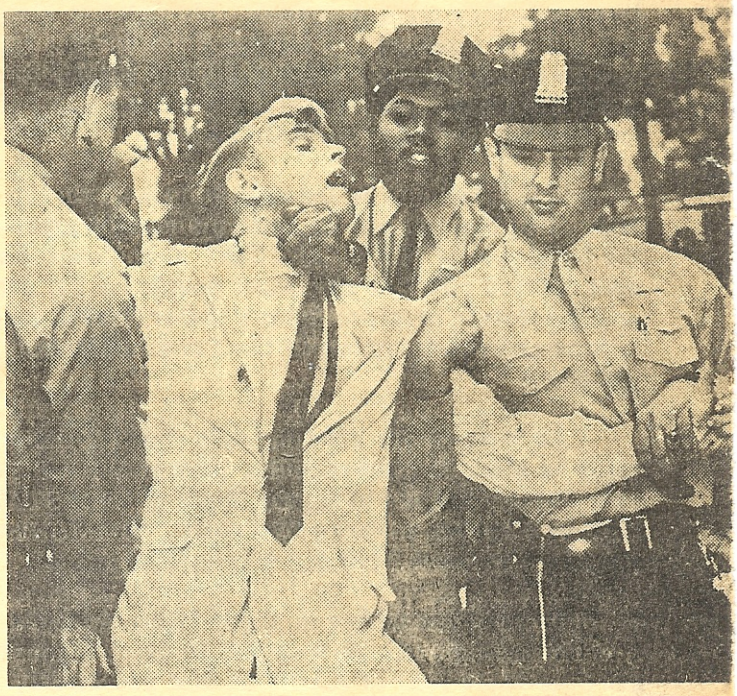
BUT YET THESE RIOTERS WERE NOT ARRESTED!

On August 28, Karl Allen was arrested for trying to talk to a group of us without a permit. We found a mob of this scum RIGHT ON THE GROUNDS OF THE CAPITOL holding a meeting and being addressed by the Jew leader of the Red students who went to Cuba, Levi Laub. No one would arrest this unlawful assembly and illegal speaker. Bursting with indignation, 18-year-old Lt. Robert Lloyd of the American Nazi Party, stepped in front of this group of disloyal rats to tell them what Amer-

icans think of them. So Capitol police seized Lt. Lloyd, arrested him.

a right good will. Nobody would have arrested a

Stormtrooper Alex de Fields is dragged from the scene of the bloody fight between 300 pro-Castro Communists and beatniks and four courageous Nazi defenders of the White Race and the American Republic.



Lt. Robert Lloyd strangled into submission by Capitol cops, mostly niggers, for heckling an illegal assembly of pro-Castro-ites and Communist beatniks, who were not arrested.

Some of the filthy barefoot pro-Castro-ites we fought for the honor of Race and Nation.

Let the American Legion pass its ignorant resolutions condemning us and foolish Legionaires kick us in the shins. Let the pitiful right-wing "leaders" spread their jealous and cowardly lies that we are some kind of "enemy agents". And let them continue to stay safe at home while surging mobs of Red Jews and niggers march on our Capital and flood Congressional hearing rooms to insult and defy Congress itself.

In spite of the insults and lies from the right wing, WE WILL BE THERE EVERY TIME! In spite of jails, beatings and starvation, as long as there is one of us left, there will be a Nazi to oppose every appearance by this kind of un-American filth in Washington.

The American people, including the millions of patriotic members of the American Legion, will sooner or later understand and stop listening to false "leaders" who keep calling us names because these cowardly leaders haven't got the guts to stand up and face the fire-breathing dragon of Jew-Communist race-mixing.

I live for the day when, instead of 20 of us in the House Committee room, there will be a thousand. THEN we shall show the Committee how grateful is America for the heroic job it has done and how the American Nazi Party will show its absolute respect for the Committee and its burning hatred of the gang which applauded motion pictures of U. S. pilots being shot down and murdered by Communists.
